

Dear Friends,

It is with great excitement that finally a special project dear to our hearts, our new CD “Let’s Tango!” will be released soon!

It’s been a wild ride, we recorded it in Jordan Hall at New England Conservatory right before the pandemic stopped literally everything. Then like everyone, we re-adjusted to a very different life, teaching online, created online courses to teach chamber music and then giving online and hybrid concerts. Life was not easy then and the recording project needed to wait.

Many of you have heard our Tango concerts that has audiences energized by the passion of the music and by the rich dynamic range created by joining forces with our fabulous guest pianist, Victor Cayres.

Our goal has always been to:

- Perform more diverse and meaningful music for our audiences
- Share the music on this CD with radio broadcasts, social media outlets and in concert
- Bring this music to underrepresented audiences in schools and communities
- Make our arrangements available for fellow musicians to perform

Fast forward to today, we are now fundraising to pay for the final mastering of the CD, PR and production costs with our label, Navona/Parma Records. This CD represents one of our most popular concert programs we have ever given and it was recorded with the highest standards in audio recording techniques possible.

As before when we raised funds for the initial recording, we are humbled and grateful for the incredible support that we received. We are asking you for your support now and any donation amount is a win for the project to bring this recording all the way to the finish line.

Your tax-deductible donations will help to cover our final expenses:

Final Mastering - \$1,614

CD Label Design & Layout - \$1,500

Liner Notes - \$600

PR & Worldwide Distribution - \$3,900

CD Production - \$2,000

Total: \$9,614
